

VIETNAMESE AFFAIRS STAFF

OFFICE OF THE DIRECTOR OF CENTRAL INTELLIGENCE

DATE: 6 Sept 72

TO: The Director

FROM: GACarver, Jr.

SUBJECT: Saigon Atmospherics

REMARKS:

The attached -- which you have probably already seen -- came in shortly after our post-Morning Meeting conversation on 6 September. It is not an intelligence report and disseminating it in any fashion would generate some of the same problems engendered by Tom Polgar's first cable on Saturday, 2 September -- i. e., our reporting on relations between Thieu and Ambassador Bunker. Nonetheless, I share your belief that Tom's account of atmospherics and his impressions are useful. I therefore suggest (in order of preference) that (a) you take advantage of your next telephone or face-to-face conversation with Kissinger to give him an oral gist of this cable, or (b) we send it in memorandum form over your signature to Kissinger alone.

George A. Carver, Jr.  
Special Assistant for Vietnamese Affairs
